Dear Jan

I enclose a copy of the club's rules in 1936 which you might find of interest for the club's archives. I met a former member (I think his name was Simons or something like that) who had moved from Lymington and resigned from the club. He had his copy of the rules and we thought it might be of interest so he passed it over to me, to send to you. I mentioned this to the Commodore a few days ago and he suggested I send it to you. If it is of no interest please destroy

Yours

John
